

An experience with Honey bees

Lancaster Beekeepers is a local charity. On Saturday 29th July 2017 we are holding an open day for people wishing to experience Honey bees. A 2 hour FREE session will be available to those who book a place. You will receive a talk about bees and then we will open a honey bee hive and show you what happens inside.

A drink and cake will also be offered.

Available start times will be either 10am or 1pm
