

# Potato day

Growing local food and community

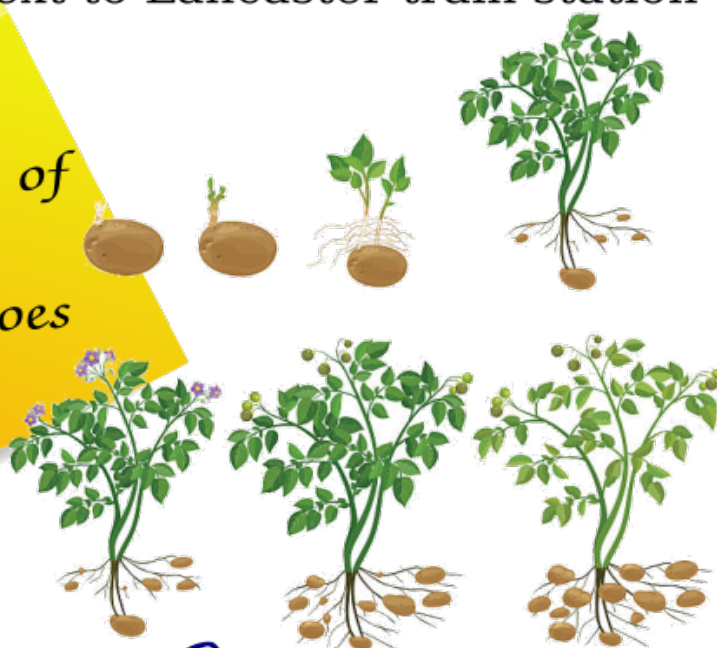

Saturday 27 January 2018

11 am - 3 pm

at the Friends meeting house  
next to Lancaster train station

27 varieties of  
organic  
seed potatoes  
for sale!

The cafe uses intercepted food.  
Intercepted food is good food that  
would otherwise go to waste.  
This is still great food, and we cook it up and  
provide meals to people on a pay as you feel basis.  
Pay as you feel means that there are  
no set prices, the food is not sold, but is given.

A celebration of local community projects  
People, stalls and info....

Claver Hill, Seed Library, Forest Friends, Tool Library, sewing cafe,  
Landworkers Alliance, Vegan Food & Climate, Herbal Medicines,  
Transition Approaches to Death & Dying, Beekeeping, Farming & Fracking  
Woodland Crafts, and more....
