

Lancaster Beekeepers Project Proposal Form – Spring 2024

Lancaster Beekeepers (LBK) is inviting proposals for project grants for any amount up to a limit of ca. **£3,000** that meet one or more of the following objectives:

- Encouraging and promoting the craft of beekeeping in Lancaster and the surrounding district.
- Supporting the role of bees in the environment.
- In accordance with the rules of Lancaster and North West Beekeepers' Association (LNWBA), conducting meetings, lectures and demonstrations within the Lancaster district.

Projects that LBK have funded in the past include setting up a teaching apiary at a local primary school, and planting seeds and bulbs at a local historic garden.

This form should be submitted to treasurer@lancaster-beekeepers.org.uk by **Friday 5th April 2024** to be considered for the spring 2024 round of funding. If your application is successful, you will be asked to sign a grant agreement, and later to fill in reporting forms and supply photos to show us what your project has achieved.
